WALTERBORO, SC 29488
Account# 6745

Dear DEPARTMENT OF BUILDINGS AND GROUNDS,

This letter is to formally announce and inform you that CSI Security has a new owner, Palmetto Security Systems. You have been a valuable customer of CSI Security for some time now and we want to assure you that this change will not affect the quality of service you have come to expect from CSI Security. The change of ownership was effective February 21, 2017.

Palmetto Security Systems has been in the alarm business for nearly 20 years, first as a division of Palmetto Electric Cooperative and just within the last 4 years, as a business owned by Marc McDougall. Marc has been with the company since they started with Palmetto Electric and understands the commitment to quality that an Electric Cooperative believes in. Marc has assured us and would like to assure you that the company will remain dedicated to the service standard set by the cooperative. CSI Security will continue to operate under the same name, with the same great team of installers and technicians you have come to know and respect.

If you have been paying your CSI Security bill by credit card or bank account draft, you will be receiving a new authorization from Palmetto Security Systems. Your previous draft authorization cannot be transferred from CSI to Palmetto Security for privacy reasons but we will have new authorization forms available to sign up with Palmetto Security Systems. The new address for bill payments is:

Palmetto Security Systems
P.O. Box 696
Bluffton, SC 29910-0696
1-843-208-2880 (main office)
1-800-487-2365 (Walterboro office)

We would like to thank you for your years of support with CSI Security and to encourage and thank you for your continued support of CSI Security owned by Palmetto Security Systems.

Sincerely,
CSI Team
